

**OFFICE OF THE POLICE AND CRIME COMMISSIONER
FOR HUMBERSIDE
DECISION RECORD**

Decision Record Number: **2/2015**

Title: **Child Sexual Exploitation Documentary**

Executive Summary:

Following the successful Crimestoppers campaign in connection with Child Sexual Exploitation approved in July 2014, you have been approached for support by the same organisation to provide financial assistance to produce a TV documentary on the subject.

The cost of the documentary is £8,000 and you have been requested to provide a cash contribution of 50% and to guarantee the balance of funding for the project in the event that Crimestoppers are unable to identify alternative sources of finance.

The request for support was made at a meeting with the High Sheriff of the East Riding of Yorkshire and a decision is required as to whether or not to agree to support the project in this way.

Commissioner's Comments:

The Commissioner wished to support the project and indicated that he required that the documentary would be suitable not just for the TV but also for distribution to schools and other establishments dealing with young people.

Decision:

(a) That a grant of £4,000 be made available to Crimestoppers UK for the production of a TV documentary on Child Sexual Exploitation following the awareness campaign across Humberside which commenced in 2014 with your support, and (b) that you agree to underwrite the balance of cost of the project up to a maximum of a further £4,000 in the event that sufficient external funding cannot be raised from other sources to finance the project.
