FREEDOM OF INFORMATION REQUEST RE: Diaries of the PCC and Deputy PCC

Dear Sir/Madam,

I am writing to request information under the Freedom of Information Act 2000 regarding the diaries of the PCC and Deputy PCC. To assist you, I am outlining my request as specifically as possible.

1. Please supply a copy of the diary of Matthew Grove, Police and Crime Commissioner for Humberside, since he took office.

2. Please supply a copy of the diary of Paul Robinson, Deputy Police and Crime Commissioner for Humberside, since his appointment by Mr Grove.

If you need further clarification, please contact me by email. My preferred format to receive the information is electronically, but I can accept hard copies.

Some parts of this request may be easier to answer than others, and in such case I would ask that you release available data as soon as possible rather than delay the entire request.

If FOIA requests of a similar nature have been asked already, please could you include your responses to those requests. If the costs of processing this request exceed the limit in the Act, please advise on what information you are able to supply within the cost limit.

I would be grateful if you could confirm in writing that you have received this request.

Regards,
