

Dear , thank you for your Freedom of Information request dated 2 July 2013.

I will deal with each of your requests below:

Request 1

I would like to ask the following questions regarding your budget for 2013/2014

- 1) How much money is specifically allocated to the prevention of gangs and youth violence?
- 2) Are any voluntary sector organisations being utilised to provide these services?
- 3) If so, please provide a list of organisations and details of the funding they have been awarded (including the value, type (contract/grant etc) and duration of funding)

1. Details of grants awarded by the Commissioner can be found on our website at <http://www.humberside-pcc.gov.uk/Document-Library/Working-for-You/Transparency/What-we-spend/Community-Safety-Grants-2013-14.pdf> . There is no evidence of a “gang culture” within the Humberside area and therefore none of these grants were awarded on the specific condition that the monies be used to prevent gangs and youth violence although some of the organisations’ work does cover youth diversionary activities directly geared at tackling youth violence and anti social behaviour. The specific information that you are seeking is therefore not held.

2. Of the organisations that have received grants, Catch 22 are a voluntary sector organisation dedicated to youth diversion.

3. As you will see by following the link above, Catch 22 have been awarded a grant of £222,840 for 2013/14.

Request 2

I would like to request information relating to money paid out under the Riot Damages Act 1886 for claims made between August 6th 2011 and September 22nd 2011.

As the Police and Crime Commissioners were not in office at this point I am seeking information relating to claims made to the now defunct Police Authority or Authorities which you have now taken over from. Therefore, please read “your authority” as referring to either the aforementioned Police Authority or Authorities for which you have subsumed, or yourself if you are still involved with processing these cases.

If you are now responsible for the records of multiple police authorities, please separate all answers to the questions below by those police authorities, rather than combining the totals.

If these records have not been transferred to your control, then as I stated above, please forward my request to the relevant records department and inform me that you have done so.

- a) **How many claims were made** to your authority under the Riot Damages Act 1886 between August 6th 2011 and September 22nd 2011?
- b) **What was the total amount paid** out by your authority under the Riot Damages Act 1886 for claims made between August 6th 2011 and September 22nd 2011?
- c) How many claims made between August 6th and September 22nd 2011 **were rejected by your authority?**

d) How many claims made between August 6th and September 22nd 2011 **are still outstanding?**

No claims were made to Humberside Police Authority under the Riot Damages Act 1886 between 06.08.11 and 22.09.11.
