

Dear , thank you for your Freedom of Information request. Our response is as follows:

1. What (if any software) do you use to monitor/process FOI requests?

We do not have any specific software within the Office of the Police and Crime Commissioner for Humberside for this purpose, we utilise the facilities of Microsoft Office and Sharepoint which are already available to us to handle FOI requests.

2. Is that software externally purchased, if so please can you provide the name of the company

Not applicable.

3. Please provide the cost of purchasing it or the cost of the internal development

Not applicable.

4. What software do you use to look after your organisations assets?

The Force's assets, which technically come under the Commissioner, are managed by the Force's Estates Department. The information that you are requesting is therefore likely to be held by Humberside Police. I understand that you have also submitted this request to them and I trust that you will therefore receive a response from them in due course.
