Dear, thank you for your Freedom of Information request.

The information you are seeking is held by the Office of the Police and Crime Commissioner for Humberside. Please find below our response.

Please provide contract information including contract values, contract start and end dates and names of providers of your victim support services.

Victim support services may include but are not limited to:

- Victim engagement and support services
- Victim assessment and referral services
- Victims triage services
- Vulnerable victims services
- Victims of CSE services
- Victims of domestic abuse services
- Restorative justice services

Please also highlight whether these services are delivered in house by the PCC or local police force; and specify what the PCC's commissioning intentions are for future victim support services.

1. Victim Services (Non-specialist)

Our contract for Victim Services is currently with Victim Support. The start date was 1 April 2015 and the end date was originally 31 March 2016. The contract value is £535,000 with an additional £35,000 payable should Victim Support recruit the number of volunteers stipulated by the Commissioner.

The Commissioner's future intention is to commission a new service to commence on 1 October 2016 in conjunction with the South Yorkshire Commissioner. As such he has extended the current arrangement by 6 months to accommodate the procurement process. The terms and conditions of the grant funding of April to September 2016 remain the same as the initial 12 month arrangement, but obviously for only half the contract value. The financial envelope for a newly commissioned service has not yet been decided, although the length of the contract will be three years (1 October 2016 until 30 September 2019).

2. Restorative Justice

18 month contract with Remedi Restorative Solutions (1 October 2014 until 31 March 2016). The contract value is £308,000. The future intent is to extend the current service by 12 months at a cost of £163k.

3. Sexual Violence

Currently the Commissioner makes an uncompetitive grant award to 2 providers. On the South Bank the provider is the Grimsby and Scunthorpe Rape Crisis Centre (t/a 'It's My Right') - the value of the award is £102,000 and runs from 1 April 2015 until 31 March 2016. This is to provide an Independent Sexual Violence Adviser (ISVA) service. On the North Bank the service provider is Victim Support - the value is £110,764 and runs for the same period as It's My Right. The future intent is to extend the current arrangements by a further 6 months (same terms and conditions) to accommodate a new

commissioning exercise for a new service provider to commence on 1 October 2016 and run until 30 September 2019.

4. Domestic Abuse

This is largely the responsibility of local authorities but we have recently co-commissioned a new Domestic Abuse service in North Lincolnshire. The Commissioner has agreed financial support of £40k pa for the next three years. The preferred provider was 'It's My Right' and the contract was 3 years.

5. SARC Service

Newly commissioned service that involved all 4 Yorkshire and the Humber Commissioners as well as NHS England. Contract commencement date is 1 April 2016 and is for an initial 3 year period. The provider is Mountain Healthcare Limited. The contract value is c£1.9m pa with all 5 commissioning bodies contributing. The Commissioner for Humberside will contribute c£160k pa.

This covers our main contracts and providers of victim services. There are however small ad-hoc payments that the Commissioner has made via the CCRF or the Victims Fund which has helped to build the provider base. Details of grants allocated via these funds can be found on our website at http://www.humberside-pcc.gov.uk/Working-for-you/What-We-Spend-and-How-We-Spend-It/What-We-Spend-and-How-We-Spend-It.aspx
