Subject: OPCC BUDGET

Dear Mr Hunter

I see from the last annual report you published that the gross cost of the OPCC was £5.3 million gross and £4.1 million net .

Please could you tell me what that gross cost was made up of ie

How many staff you have ?

How many offices you have ?

The cost of those offices ?

Expenditure on PR / media ?

For this year (2019 / 20) what is the projected gross cost for the OPCC ?

I look forward to hearing from you .

Yours sincerely
