**Subject:** FW: Freedom of Information Act 2000 (FOIA) – Request for Information. Our ref: FOI2250

I refer to your Freedom of Information request submitted to the Office of the Police and Crime Commissioner for Humberside on Sunday 25 February 2024 (received and logged on Monday 26 February 2024) as follows:

- 1. Please provide detail of all hotels, dates and associated costs, that the PCC has stayed in during the course of performing his role since his election. Please also provide details of the event that necessitated the stay at the hotel.***
- 2. Please provide information as to the event and necessity of staying at the Forest Pines Hotel on 05.05.22, for an event in London.***
- 3. Please provide detail as to whether £12,000 in lieu of expenses was paid to the newly appointed Chief Constable, Paul Anderson, because he did not incur expenses through not moving to the Humber area.***

In response to your request, I can advise that the following information is held by the Office of the Police and Crime Commissioner for Humberside: -

1. The details you request in question 1 are in the attached spreadsheets. As a result of your information request we have completely revised the way that we display our information. On review, we realised that the previous way this was displayed was not as clear as it should be. The spreadsheets which are attached will be the new way to display the information going forward and I hope you agree that this is much clearer and detailed. We would like to thank you for your request which has brought this matter to our attention. The new spreadsheets will be uploaded to the website shortly and future information will be displayed in this format.
2. The PCC's stay at the Forest Pines Hotel you queried in question 2 on 05/05/2022 was for an awards event in Scunthorpe and not London. Please accept our apologies for this administrative error which you will see has been corrected in the updated information attached.
3. The £12,000 in lieu of expenses you refer to in question 3 to the new Chief Constable was rejected by the Home Office and was not paid.

Following your correspondence to us, we have reviewed the format in which published expenses for the PCC will be presented, in order to make them easier to understand and improve our transparency to the public.

Yours sincerely

Paula Cotton  
Statutory Operations Officer  
Office of the Police and Crime Commissioner for Humberside
