Title: Yorkshire and the Humber (YATH) Rehab Analyst

Date: 03 January 2024

1. Executive Summary

The vital role of the Yorkshire and the Humber (YATH) Rehabilitation Analyst is hosted by the Humberside OPCC on behalf of the Yorkshire and the Humber Rehabilitation Partnership, a partnership of PCCs, HM Prison and Probation Service.

The role is two days a week and is responsible for development, implementation and reporting on a range of analytical products.

Four partner areas have agreed to contribute to the post from the 01 April 2023 to the 31 March 2025 and there will be a signed Service Level Agreement in place.

Contributions from each of the four partners are as follows: -

£5200 for 23/24 to be invoiced and paid for by March 31, 2024 (Total £20,800)

£5500 for 24/25 to be invoiced and paid for by March 31, 2025 (Total £22,000)

2. Recommendations

The four partner areas (listed below) contribute to the continuation of the Yorkshire and the Humber (YATH) Rehab Analyst.

- Humberside Police and Crime Commissioner
- North Yorkshire Police, Fire and Crime Commissioner
- South Yorkshire Police and Crime Commissioner
- West Yorkshire Combined Authority

Funding of the post should continue for a 24 month period from the 01 April 2023 to 31 March 2025.

3. Background

The post was initially established in 2020 as part of the recruitment of the information analyst. The role includes: -

- Providing informed briefings to advise the YATH RP of progress against analysis of national, regional, and local trends by using data and information from a diverse range of sources.
- Provide clear and reasoned advice to the YATH RRP on the outcomes

achieved by the HMPPS Reducing Reoffending Plan.

- Produce reports to the YATH RP and wider stakeholders
- Develop effective working relationships with partners
- Function as the principal analyst for the YATH RP, by creating bespoke information products by researching and identifying criminal justice and other open-source data sources; in addition to process mapping key transactional areas.

A summary of work will be produced at the end of each calendar year and shared with contributing partners.

4. Options

1) Decline the request for a jointly funded YATH rehabilitation analyst

The impact of the request being declined would mean that the role would cease to exist, impacting on the partnership data and analysis provided to the Police and Crime Commissioners. It would not be feasible for this role to be absorbed within current roles in the office or within the partner organisations listed (section 2).

2) Approve the request to jointly fund the YATH rehabilitation analyst (recommended)

Approval would ensure that the funding is in place for the post. A signed Service Level Agreement will put in place with the partner organisations mentioned earlier in this report as identified in the recommendations (section 2).

5. Financial Implications (Seek financial advice from Chief or Deputy Chief or Deputy Chief Finance Officer)

The Deputy Chief Finance Officer is aware of the request and will collect contributions from partners identified in the recommendations (section 2).

6. Legal Implications (Seek advice from Legal Services)

There will be a signed Service Level Agreement in place signed by partners.

7. Driver for Change/Contribution to Delivery of the Police and Crime Plan

The Police and Crime Plan has effective organisations as one of its three aims, with better partnership working as a key outcome. This contributes towards this aim.

8. Equalities Implications (Have due regard to the Public Section Equality Duty)

No equalities implications have been identified for the partnership.

9. Consultation

Consultation has been conducted with the Chief Executive, Partnership Analyst, and relevant staff from the following offices: -

- North Yorkshire Police, Fire and Crime Commissioner
- South Yorkshire Police and Crime Commissioner
- West Yorkshire Combined Authority

10. Media information (Seek advice from Head of Communications)

The agreement is not subject to a press release.

11. Background documents (This will be published if open)

The signed agreement is available if required/requested.

12. Publication

Open

13. DPIA considered (Data Protection Officer will complete full checklist – see attached)

The Data Protection Officer was consulted and confirmed that a Data Protection Impact Assessment (DPIA) is not required.
