Organisation or Name of Group	Delivery Address	Summary of project	Website	Start and finish date
Together Women	120 – 122 George Street Hull HU1 3AA	Together Women pilot initiative that will break the cycle of domestic abuse and offending by women who have mental health issues, substance misuse and offending and are also victims of DA – keyworker to deliver additional ACE recovery toolkit sessions.	https://www.togetherwomen.org/centres/hull	01/01/18 08/19
Community Integration and Advocacy Centre	C/o Open Doors Princes Avenue Methodist Church Princes Avenue Hull	Community Integration and Advocacy Centre (CIAC) is regulated with the Office of Immigration Services Commissioner (OISC) at level 3 although will initially be operating at level 2. They will be operating an income generation model with very low cost immigration advice to people with recourse to public funds and the tight underpinning pro bono immigration advice to people without recourse to public funds or the right to work as a route out of destitution. The main areas where CIAC can provide to reduce crime and create safer communities is through: <ul style="list-style-type: none"> • Immigration advice to victims of modern slavery and trafficking • Reduce reliance on illegal, unregulated immigration advice • Supporting irregular migrants with advice on returning to their country of origin or making applications to regularise their status • Emergency destitute DA concession applications Providing advice to statutory and voluntary services around vulnerable migrant clients.	https://www.migrationyorkshire.org.uk/?page=directoryview&itemid=1362	02/18 08/19
Neighbourhood Network	All of Hull area	The funding will provide continuation, co-ordination and further development of the Neighbourhood Network. A Hull based charity and unique network of groups made up of Neighbourhood Watch Schemes, Neighbourhood Groups, Tenant and Resident Associations, Business and Retail Watches, Allotment Associations, Schools, Charities and other umbrella organisations supporting the communities and individual groups that have community safety interest. The NN aims to support and empower people aiming to create safer environments, along with supporting other organisations in helping communities to be more resilient and proactive in reducing crime.	https://www.nnetwork.org.uk/	01/18 Ongoing
Hull Churches Home from Hospital	All of Hull area	Hull Churches Home for Hospital services have been constantly involved in working with patients who have had monies taken and have been burgled while distracted on their own doorstep. We have used the Community Safety Partnership Grant to reduce police time providing emotional support while target hardening our most vulnerable people. Every referred individual will be immediately assessed to meet the criteria of vulnerability, isolation and their potential for victim isolation. Installation of appropriate equipment.	https://www.hchfh.org.uk/welcome.htm	04/18 31/03/19 (Continuation till funding ends)
Hull FC Rugby Community Sport and Education Foundation	West Hull	To provide a range of diversionary activities within a safe environment and engage with hard to reach young people aged 16 – 21 years. The project will run for 48 weeks and will include 2 free hour 'Turn up and Play' sessions which will include activities such as Tag Rugby, multi-sports, boxing, dance, fitness etc. The sessions will be delivered once a week at the Hull Youth Performance Centre which will service the Boothferry, Derringham and Pickering Wards and the City of Hull Boxing Club which will serve the Orchard Park & Greenwood, University and Beverley Wards	http://www.hullfc.com/club/community/hull-fc-foundation	01/06/18 17/05/19
Hull FC Rugby	Hull wide	Inside the prison, 'Inside Out' will work with 48 men selected by prison staff within the first year. The men will be split into four groups of twelve with each group taking part in a 'Ten Fixture' programme where each fixture lasts	http://www.hullfc.com/club/community/hull-fc-foundation	01/04/19 31/03/20

		around 80 minutes. The first forty minutes will focus on group learning experiences that support mental resilience and healthy lifestyles and will involve ex rugby league professional guest speakers from the sport mental health charity 'State of Mind'. These speakers have all had significant mental health issues themselves and will share their journey on how they overcame challenges and how they use that experience to now lead positive lives.		
Hessle Road Network	Network Young People's Centre 1 Massey Street Hull HU3 3LA	There are 2 projects included in this application. Set up of an exercise and wellbeing room within the purpose built youth centre to allow young people the opportunity to use the centre more whilst getting fit and engaging with workers to discuss issues and reduce ASB. The second project is a Little Toddlers playgroup which is aimed at engaging young parents, the project allows workers to engage with more vulnerable parents and support them with their needs. The funding would be used to introduce some additional activities such yoga and relaxation classes plus allow trips out as a group to promote wellbeing.	http://www.hesslerdnetwork.org/	Funding awarded 02/18
