Humberside Rural Safety Advisory Panel

They have been meeting for around 18 months since the last Humberside Rural Crime Conference and have developed a new Rural Crime Fact Sheet available [here](#). They were working with agencies to host another Conference this month but unfortunately this has been postponed to later in the year no date has yet been confirmed. Whilst you may not live in a rural area I'm sure you, your family and friends may spent leisure time in rural settings and it may prove useful especially the second page around how to report and useful information for the police and yourselves.

RURAL CRIME INFORMATION SHEET: SEE IT, RECOGNISE IT, REPORT IT!

It is not always easy to distinguish between legal and illegal activity but we hope the information below will be a useful quick reference guide to rural crime, how to identify it and what information to collect when reporting.

RURAL BURGLARY AND THEFT:

What is it? Unlawful entry of a building and stealing and the theft of machinery, farm vehicles, oil and fuel.

What is the Engagement Officer role?

My role is to engage with local communities to help identify local priorities, understand issues and support agencies to identify good practice and improvements. I am not a representative of the police to the public but rather the voice of the public to the police and other agencies involved in Community Safety. I am able to support people to direct their enquiries at the right agency and find out more information on various processes to help manage expectations of the public and increase understanding. By doing this my role contributes to building confidence in local agencies involved in Community Safety.

NEW Anti Social Behaviour Online Reporting

Anti Social Behaviour is an issue that affects many communities. It is often a fine line between nuisance and something that comes under ASB. Communities can be concerned that ASB will lead to criminal behaviour. Humberside Police's website makes clear areas of ASB which can be reported via the non-emergency number 101 or 999 if immediate danger.

- Threats to kill and violence
- Graffiti and vandalism to your personal property
- Hate crime - If a person is abused, verbally or physically, because of their ethnicity, religion, sexuality, gender, disability or just because they are different then this is a crime or hate incident
- Harassment - Repeated attempts to make unwanted contact with a person and those associated with them, which causes a person distress or fear

ASB dealt with by your local council via 01724 297000 and now ONLINE [here](#).

- If groups are congregating in public spaces and drinking alcohol
- Verbal abuse and threats of violence – unless you believe you are at immediate risk
- Young people gathering in large numbers and behaving in a way that is threatening or intimidating to others
- Noise nuisance, such as loud music, noisy pubs, rowdy parties or barking dogs in your neighbourhood
- Graffiti and vandalism to public property
- Littering/fly-tipping – the illegal dumping of waste
- Excessive car stereo noise

Domestic Abuse (Repeated due to lockdown announcement)

Violent crime is often reported in the media as a public crime, between 30-50% will be domestic abuse if not more in some areas. There are a range of services to support people suffering from domestic abuse in North Lincolnshire The Blue Door is available via their Helpline: 0800 197 47 87 or main office: (01724) 841 947. They are also able to support women to access the refuge where necessary in a safe area which could be outside of North Lincolnshire. If you are a perpetrator of domestic abuse there is a new RE:Form programme to support behaviour change, info@reformda.org.
