Dear Humberside Police and Crime Commissioner,

Under the Freedom of Information Act 2000 please could you supply the following information within 20 working days:

These questions apply from 2001 until present and applies to your/this police force's jurisdiction. Preferred format would be a breakdown down by school and year if possible

- 1) Please advise how many schools had computer hardware and software stolen.
- 2) Please advise if any of the computer hardware and software stolen had children's or teacher's biometric data on.
- 3) In relation to question 2 please could you advise if any of the computer hardware and software that has been stolen has ever been recovered?
- 4) Apart from theft, is this police force aware of any biometric systems in schools being compromised?
- 5) Does your force report any biometric data stolen to any government department? If so please advise which one.
- 6) Has this police force ever requested or had access to a school biometric database and please advise whether requests were successfully granted or not.
- 7) With regards to question 6, from the school biometric databases accessed please advise if:
  - i) Any biometric data was added to the police database
  - ii) Was the schools biometric data system easily inter-operable with the police database?
- 8) Was any conviction successful as a result of data obtained from a school biometric database?

If you need further clarification, please contact me by email. My preferred format to receive the information is electronically, but I can accept hard copies.

Some parts of this request may be easier to answer than others and in such case please could you release available data as soon as possible rather than delay the entire request.

If the costs of processing this request exceed the limit in the Act, please advise on what information you are able to supply within the cost limit.

I look forward to your response within 20 working days, as outlined by the statute.

Yours sincerely,
