FOR HUMBERSIDE
DECISION RECORD**

Decision Record Number: **14/2018**

Title: **Request for funding – Police Treatment Centres, St. George’s Police
Children Trust**

Executive Summary:

The PCC has been approached by the Chief Executive Officer of the Police Treatment Centres (PTC) and St George’s Police Children Trust to join with other PCCs in making a donation to help support the work of PTCs which provide class leading physical and psychological treatment to police patients. This programme accelerates return to work and contributes to officers being fitter and better prepared for work through its wellbeing programme.

The St. George’s Police Children Trust is a registered charity which aims to support Police families by helping ease the financial pressures of bringing up children in the face of life-changing circumstances.

Commissioner’s Comments:

Having visited the PTC to see the work carried out by these organisations, following a similar visit by the Chief Constable, I wish to make a donation of £9,000 to support the work of the Police Treatment Centre and a further donation of £1,000 to the St. George’s Children’s Trust.

Decision:

That £9,000 be donated to support the work of the Police Treatment Centres and £1,000 be donated to the St. George’s Police Children Trust.
