

OFFICE OF THE POLICE AND CRIME COMMISSIONER
FOR HUMBERSIDE
DECISION RECORD

Decision Record Number: 11/2019

Title:

Executive Summary:

The Warren Counselling service is funded via a grant provided by the OPCC and funded from the MOJ Victims Grant. The service supports both victims and families of Child Exploitation in Hull. The service uses a person-centred philosophy where the relationship between the young person and the counsellor is at the heart of the process, with counsellors forming strong and trusting relationships. The existing grant agreement ends in April 2019 and a 12 month extension is requested, with an option to extend for an additional year.

Recommendation(s):

That the PCC supports the request for extending the existing grant agreement up to the 31st March 2020 to enable commissioning decisions to be made collaboratively with Hull City Council Young Person's services, (Early Help). There is sufficient funding available to support this decision.
