Dear Mr Grove

HUMBERSIDE POLICE AND CRIME PANEL

I am writing to thank you for presenting your Annual Report 2012/13 to the Humberside Police and Crime Panel on Friday, 27th September 2013.

In considering the report, the Panel noted that your Police and Crime Plan was not in force during this period and that the objectives for the force had been set by the former Police Authority.

However, the Panel welcomed the report and have made two recommendations which they would like you to consider in accordance with Section 28 (4) of the Police Reform and Social Responsibility Act 2011:

1. To review the format and layout of the document prior to publication in order to make it more accessible to those people with visual impairments.
2. To provide the Panel with a six monthly update on progress with your Police and Crime Plan at the next Panel meeting on 29th November 2013.

The Panel also paid tribute to the hard work and dedication of the Humberside police force and asked if you could convey that message to the Chief Constable at your next meeting with her.

If you have any queries, then please do not hesitate to contact me.

Yours sincerely

S McGrath
