Hello,

The link below contains the minutes of the regional collaboration board meeting from July

<http://www.humberside-pcc.gov.uk/Document-Library/Working-for-You/Transparency/How-we-make-decisions/Reg-Collab-Board/RCB-notes---240714.pdf>

Agenda item 83 refers to submitted papers relating to the underwater search unit. Under the terms of the Freedom of Information Act, I would like to see a copy of those papers, if possible, or any other papers that relate to that item.

Many thanks,
